Priority Need Rental Housing

Project Title Aftercare Program / Housing

Project Description

The purpose of this request is to secure funding for residents that have completed the Gemeinschaft treatment program and need affordable housing. Gemeinschaft is a six-month residential program for non-violent substance abusing offenders coming out of prison. Due to the obstacles they face such as court fines, restitution, child support, and driver's license fees, it is increasingly difficult for them to secure affordable housing. With the assistance of this grant, Gemeinschaft will purchase a house that will be rented to their residents at affordable rates. This housing will be 6-12 month transitional housing. Gemeinschaft requested \$25,000 in CDBG funds.
